Sizes: s,m,l,xl

semi fitted

Gabby is wearing 1158 topaz, 1053 black and 2098 topaz

Why is hemp a good idea?

Records of hemp use in textiles date back to about 3000 BC. It was considered a cheaper and more durable option in ancient cultures. There are also numerous ecological benefits of using hemp fibers for clothing. It can be grown with little or no chemical fertilizers, requires little water and renews the soil with each growth cycle.

April is wearing 1150 in cinnabar, 1053 in mud and 2033 in mud

Nature is our greatest inspiration.

Rich clays from across the globe have helped us create four new, beautiful eco colors that only nature can provide. We are thrilled to introduce Amethyst and Slate as the newest additions to earth creations' a beautiful rich color pallet. Our natural clay-dyeing process renders rich, gorgeous eco colors.
